

Sprint Meeting 1
10/11/2017

Slack Channel for group
Sneha wants us to have one

We made the project description, use cases, and UI/UX diagram
Four Use Cases
Only really have admin use cases

What we need to do next sprint:
UML
Send UI prototypes to client
Send Description to client
Do a usability case with someone
List of questions to ask client next time
Usability Study
Start Developing UI
Set up Development Environment
